# Summer 2018 POP Awards

**This half term we are celebrating the Power of Presentation.**

These are the awards we are aiming to achieve

### **POP1 – My handwriting shows improvement.**

When we look at your work, we can see that the way you form the letters, the way you join letters OR the way you use spaces between words is improving. You can earn more than one POP1 Award because you can keep improving!

### **POP2 – My handwriting shows consistent improvement.**

When we look at your work, we can see at least three pieces of work – one after the other – that show you are using your improved skills.

### **POP3 - My work shows great care.**

When we look at your work, we can see that you have thought carefully about the handwriting and presentation you use in every lesson.

### **POP4 – I can use presentation to enhance my work.**

You have produced one or more pieces of work that you have made more special, or more effective, by the careful thought you have given to presentation. This could be any sort of work - a leaflet; a poster; a report; a poem etc. It might be work produced in maths, science or any other subject.

### **POP5 – I am a handwriting mentor.**

You have shared your skills with someone else to support, encourage, or inspire them to make improvements in their handwriting.

## Issue 5

### Collectable Cards

We have asked children to NOT bring collectable cards into school as from Monday 11th October.

This is due to the number of difficult situations that have necessitated staff Intervention.

We would be grateful for your support in this.

### Reading Cafés

Thank you to everyone who attended our Reading Café events over the last couple of weeks. We have had lots of positive feedback and look forward to offering you more opportunities to get involved with your children's learning later in the year.

### NSPCC Number Day Wednesday 17th October

This will be a non uniform day. Children are invited to dress up in something mathematical.

Perhaps you could think about clothes with numbers, shapes or regular patterns on them?

We will be raising money for the NSPCC and request a donation of £1.00 per child.

This is a voluntary activity and should they wish not to participate children are welcome to come to school in uniform as usual.

### Sugar for Harvest

We are supporting "Sugar for Shelters" this year and invite you to donate bags of sugar for our Harvest Festival on Friday 12th October.

British Sugar will match our donation, providing sugar for Shelters and Food Kitchens in the cold days of winter.

Thank you for your support.

### Macmillan Coffee Morning

10am - 12pm on Saturday 6th October  
Tasburgh Village Hall

Please come and join us for a cuppa and cake in support of Macmillan Cancer Research.

Cakes and raffle prizes greatly appreciated!
